Becca is a manager in the Tax & Accounting Services practice of Saltmarsh, Cleaveland & Gund. She has been practicing public accounting since 2008 and she provides tax return services for individuals and small businesses, specializing in professional employer organizations, real estate, home building, construction and manufacturing. She also has experience with preparing returns for corporations, S-corporations, high-net-worth individuals, estates and trusts, partnerships and not-for-profits. Prior to joining Saltmarsh, Becca was a manager at a regional firm where she consulted on tax compliance, regulations, reporting and strategic planning.

Education

B.B.A. Accounting - Texas Tech University
